

We hope you're delighted with the print and that you've received the PDF you were looking for! Please follow the provided steps to assemble the model. Enjoy the crafting experience, and have fun bringing your creation to life!

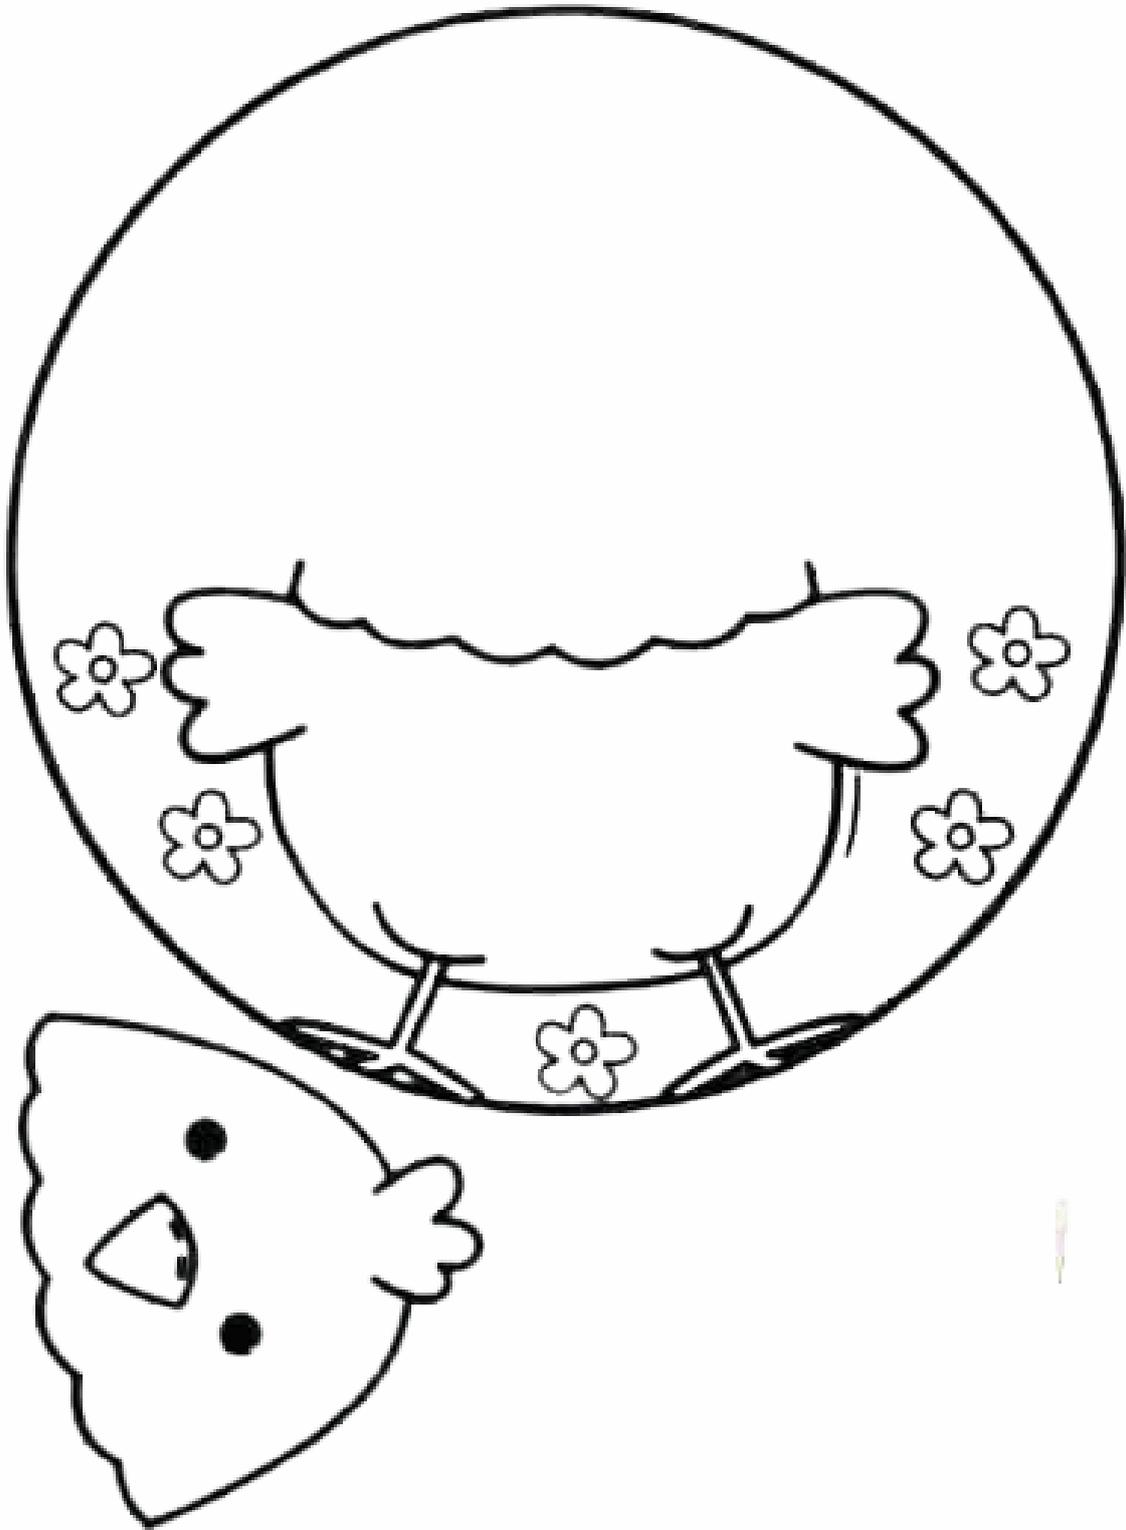

ASSEMBLY INSTRUCTIONS

1. Print the sheets on thick paper 
2. Cut out each piece of a figure with scissors 
3. Cut out the inner holes with scissors or with a ruler and a paper knife 
4. Prepare the elements before assembling. Mark the fold lines with a ruler and some blunt instrument (e.g. a non-writing ball-point pen). 
5. Pre-fold 
6. Assemble with glue following the step by step instructions below 

Places for gluing are marked with icon Start assembling the element from the place marked with the pink icon.
